

Product Data Sheet

Entrance Glazings

Starphire Ultra-Clear™ glass by Vitro Architectural Glass (formerly PPG Glass) provides architects with an entrance glazing option that brilliantly redefines elegance. *Starphire*® glass is the ideal solution for making your entrance sparkle with new impact, complement the entire building design. Lobbies and reception areas become breathtaking with the uncommon brightness of *Starphire*®. *Starphire*® glass doors set a new standard thanks to their jewel-like clarity and sparkling blue edges.

Starphire® entrances are “clearly” remarkable:

- Maximized brightness: 7% higher Visible Light Transmittance (VLT) than ordinary clear glass (in 1/2-inch glass thickness)
- Elimination of greenish tint to express doors’ unprecedented radiance and incomparable clarity
- A new level of creative elegance
- Easily fabricated to required specifications

For exquisite and truly unique entryways, lobbies, and reception areas, *Starphire*® glass will provide an unmatched combination of function, beauty, and brightness.

Additional Resources

Starphire® glass is available in thicknesses from 2.5 mm to 19 mm and is stocked regionally to assure consistent supply reliability. For *Starphire*® glass samples or a list of distributors, contact our Architectural Services Hotline at **1-855-VTRO-GLS (887-6457)** or visit starphireglass.com.

Vitro Architectural Glass is the first U.S. float glass manufacturer to have its products recognized by the *Cradle to Cradle Certified*™ program, and offers more C2C-certified architectural glasses than any other float glass manufacturer.

Entrance Glazings

This side-by-side comparison of 1/2" doors demonstrates what *Starphire*® glass can do for any entrance project. High-fidelity color transmission, a remarkable brightness and clarity and jewellike edges (below, right) make *Starphire*® glass the obvious choice when you want your entrance to “clearly” stand out.

Doors by Blumcraft

Alcoa Corporate Center – Pittsburgh, PA

This beautiful entrance took on a truly unique elegance when *Starphire*® glass was the design choice. The uncommon brightness and clarity of *Starphire*® complements the entire building design. (Complete project details on starphireglass.com)

For more information about *Starphire* Ultra-Clear™ float glass and other *Cradle to Cradle Certified*™ architectural glasses by Vitro Glass, visit vitroglazings.com, or call **1-855-VTRO-GLS (887-6457)**.

Note: *Starphire*® glass edge color can vary depending on final glass size, glass thickness and ambient lighting conditions. Vitro recommends a full-size *Starphire*® glass viewing to determine acceptability for final use.
